*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from The Golden Butterfly The Golden Butterfly, which gives a name to this novel, was seen by an English traveller, two years ago, preserved as a curiosity in a mining city near Sacramento, where it probably still remains. This curious freak of Nature is not therefore an invention of our own. To the same traveller - Mr. Edgar Besant - we are indebted for the description on which is based our account of Empire City. The striking of oil in Canada in the manner described by Gilead P. Beck was accomplished-with the waste of millions of gallons of the oil, for want of casks and buckets to receive it, and with the result of a promise of almost boundless wealth-by a man named Shaw, some ten years ago. Shaw speculated, we believe; lost his money, and died in poverty. Names of great living poets and writers have been used in this book in connection with a supposed literary banquet. A critic has expressed surprise that we have allowed Gilead Beck s failure to appreciate Browning to stand as if it were our own. Is a writer of fiction to stop the action of his story in order to explain that it is his character s opinion and not his own, that he states? And it surely is not asking too much to demand of a critic that he should consider first of all the consistency of a character s actions or speeches.
