Brand New Book ***** Print on Demand *****.This poetry book has been composed with the full intention of supporting humanity, peace, and harmony. As the poem is read by an individual, it is my hope that your heart will touch the waves of love from people you have known or not known. In this world, love has been known in many different definitions. In truth, the nature of love is deep as an ocean and wide as space. An ordinary person like me can t describe the nature of love in a few words. But as I have grown from a community where Lord Buddha s teachings have been practiced in their daily life. I have come to understand that love can t be known as a word of attached emotion. Love has no limits to reach, and to love someone, you don t need any condition. Your love has the ability to reach from your dearest one to your most hated enemy. In many different communities, love has been known in same way with different reason. As your mother loved you with unexpected returns, may you find unconditional love for everyone. Equally sharing love will fill your heart with warmness and joy.
