First. The manual has been prepared as a manual of practice, not of theory. Purposely, the theory has been limited to bare essentials; for the author, regretfully but surely, has been gradually forced to the conclusion that, under present educational conditions, the study of verbal expression in anything but its fundamentals is better postponed to later college years, or at least reserved for the comparatively few students who show especial ability or develop particular interest in it. Moreover, even the gifted and the specially interested are, at the age of college freshmen, ordinarily not so far advanced that extended practice in applying the foundation principles of the art will not be as good a training as they can have. Second. As this is a manual of practice, and as in practice the worker is...
