The Dance of the Caterpillars Bilingual Luganda English (Paperback)

By Adele Marie Crouch

Createspace, United States, 2012. Paperback. Book Condition: New. Adele Marie Crouch (illustrator). Bilingual. 250 x 200 mm. Language: English . Brand New Book ***** Print on Demand *****.While watching her Chinese immigrant son-in-law learn the English language, it became apparent to the author that prepositions are one of the most difficult concepts to comprehend. Therefore, The Dance of The Caterpillars was written as a fun way to teach prepositions. This exciting children s book contains twenty-two prepositions, one two-word multiple, and two three-word multiples. It is destined to become a valuable learning tool for children as well as English as a second language students. According to Wikipedia, Luganda or Ganda, is the major language of Uganda, spoken by over sixteen million Ganda and other people mainly in Southern Uganda, including the capital Kampala. It belongs to the Bantu branch of the Niger-Congo language family. Typologically, it is a highly agglutinating language with subject-verb-object word order and nominative-accusative morphosyntactic alignment. With about seven million first-language-speakers in the Buganda region and about ten million others with a working knowledge, it is the most widely spoken Ugandan language, and as second language it follows English and precedes Swahili. The language is used in...
