THE COMPLEXITY OF HUMAN COMMUNICATION

Hampton Press. Paperback. Book Condition: new. BRAND NEW, The Complexity of Human Communication, Philip Salem, Most communication research and most applications of that research acknowledge the process nature of communication. However, the material following that acknowledgment conforms to traditional linear and static approaches treating communication as little more than printed text. This Print Paradigm persists despite repeated calls to explore the more dynamic nature of communication. The author argues that communication is a process analogous to the complexity in other...
