Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

The sentiments of the mojl eminent of the modern writers subjoined to those of the ancients. SINCE the supposed discovery of a vacuum, some have confidently affirmed, that natural effects are no way to be accounted for, but. by the power of the Deity immediately interested: and either the reason of man, or the reason of things, is so altered, that what did serve formerly as a ground-work to atheism, is now recommended as the only sure foundation of natural religion; as if it were impossible for God to act by secondary causes, without tempting us to believe, that such causes were able to contrive and frame a world without his interposition. Those who object to se. cond causes, upon any pretensions to religious motives, must imagine surely, that matter, is there is but enough of it, can move, act, and think, by its own nature. If it cannot, we are in no danger of excluding a divine power, by filling the heavens with a fluid medium: if we suspect that it can, then we make ourselves materialists, that is atheists, in order to confute atheism more effectually. So that this triumph of natural religion over atheism, is either affected, to serve some hypothesis, or grounded upon too hasty a judgment of things. A N infallible criterion of simple and absolute atheism, is the exclusion of final causes. If you can fix upon two or three of these, which...
