GANDHI`S RESPONSES TO ISLAM

DOWNLOAD

D.K. Printworld (P) Ltd, 1994. Hardcover. Book Condition: New. First edition. 15 x 23 cm. Look at him as we may: whether as an exceptional human being, a modern-age prophet, a unique politician, or a charismatic leader of non-violent movement, Gandhi`s many-sidedness is proverbial. And, then, he was a religious genius as well ? with genuine tolerance and respect for all mankind`s faiths. Here is the first ever study exploring exclusively Gandhi`s attitude to Islam, from his childhood to the last years of his phenomenally eventful life. In thematically focussing on his responsiveness to Islam, Dr. Sheila McDonough addresses a vital question: ?Why did Gandhi say the things, he did, about Islam?? Which leads her to meticulously trace, among other determinants, the intellectual influences that had helped shape Gandhi`s vision of Islam ? the vision he particularly shared with many of his Indian contemporaries. The author, a widely known authority on Islamic Studies, puts together many of Gandhi`s observations about Prophet Mohammed, the holy Qur`an, and the Islamic faith to emphasize that his positive, respectful response to Islam was not a matter of political pragmatism, nor a facade to unify Indians at a critical period of their history, but it went far beyond ? to a philosophical understanding of the very essence of Islam. Unfailingly convincing, Prof. McDonough combines, in her writing, a rare scholarship with readability that makes her book at once fascinating to both specialists and common readers anywhere in the modern world. Printed Pages: 141.
