Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Ora Buckridge)

PEWTER JEWELLERY

Search Press Ltd. Paperback. Book Condition: new. BRAND NEW, Pewter Jewellery, Sandy Griffiths, Pewter is a soft metal that has been used decoratively for hundreds of years and has enormous versatility and potential for contemporary crafters and jewellery makers. It's relatively cheap to buy; is soft, malleable and easy to use; and requires very little in the way of equipment or skill. This book contains 20 simple, easy-to-make jewellery pieces, including brooches, necklaces and bracelets, all based on the simplest technique for embossing sheet pewter - low-relief embossing. The pewter is combined with semi-precious stones and beads; glued to other materials such as wood, plastic and little scraps of fabric; and coloured with glass paints, giving the finished pieces a bright, colourful, contemporary feel. Each project is accompanied by a beautiful, full-colour photograph of the finished piece; clear, step-by-step instructions; lists of the materials and equipment needed; and templates (where required). Two versions of each project are included, each made by following the same step-by-step instructions but by varying the embellishments, materials or colours used.
