NET-CENTRIC WARFARE

KW Publishers, New Delhi, India, 2008. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Network-Centric Warfare (NCW) originated in the United States wherein a concept of a "system of systems" was first published by the Institute of National Security Studies in 1996. This "system of systems" comprises a network of intelligent sensors, command and control systems and precision weapons that enhances situational awareness, rapid target assessment, and distributed weapon assignment to enable quick decision-making and rapid response. The...
