Random House USA Inc, United States, 2004. Hardback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book. He explains the value of courage in both everyday actions and extraordinary feats. We learn why moral principles and physical courage are often not distinct quantities but two sides of the same coin. Most of all, readers discover how sometimes simply setting the right example can be the ultimate act of courage. Written by one of...
