Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

THE COMING RACE

Hesperus Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Coming Race, Edward Bulwer Lytton, Accompanying an engineer down a mine shaft, a wealthy American discovers a series of caverns in which dwell the subterranean Vril-ya race. Yet not only have the Vril-ya 'people' devised the means with which to survive underground, they have also developed a highly sophisticated language, culture and civilization. Subservient to the mysterious and all-powerful force of Vril, they are primarily a peaceful race; but with a destiny to eradicate human civilization, it can only be a matter of time before they emerge from their underground caves to take on the world as we know it.
