Brand New Book ***** Print on Demand *****.Cruse s account of his experiences and discoveries after years of leading his international businesses. Russia, Egypt, Kenya, Germany, Iraq, Zaire, Hungary, Thailand, India-international entrepreneur Cruse has had business experience in each, and distilled 20 years of acumen into this volume. Consisting of 47 short accounts (along with sidebars), each relating lessons learned, Lies, Bribes and Peril will especially interest those involved in politics, business or international relations. Cruse has learned to respect cultural differences that the average American might find baffling and has provided lucid, congenial explanations behind each. The author skillfully illuminates how these differences arise and the confusion they can cause. Cruse explains the concept of accommodation - a new way of viewing some of the divergences, such as bribery, that most Americans would view harshly. Accommodation is found throughout the world and takes many forms as business people communicate and conduct transactions. Further lessons include insights into personal safety while traveling in foreign countries and cultures, basic business skills-such as going to the source for information and problem-solving-committing to a path and moving rather...
