By Yoshikazu Yasuhiko

Vertical, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "It's a good book. Very good, actually. Very good war comics, requiring no prior experience with anime or mecha or Gundam just a well-made, old-fashioned war comic, full of thrills and spills and lucky breaks and narrow escapes and preening villains you'll love to hate and pigheaded heroes you may hate to love, and expert drawings by a master craftsman, and hard, sturdy violence." - Joe McCulloch, The Comics Journal "It's not often that I bother taking up space just to discuss the presentation of a book, but this is certainly one of Vertical's finest releases. The whole package is an absolute must for fans of Gundam, but I'd say there's plenty to enjoy in this nearly 450-page monster for anyone remotely interested in mech action and sci-fi storytelling." - Otaku USA "This is the root of all..."

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
