Pearson Education (US), United States, 2007. Paperback. Book Condition: New. 226 x 178 mm. Language: English . Brand New Book. QuickBooks 2008 Solutions Guide for Business Owners and Accountants contains a wealth of information useful to both the business owner and the accountant who services such businesses. To make finding the right information easier, the book is organized into chapters specific to each accounting module in QuickBooks. The author has worked many years with businesses that use QuickBooks to manage their financials and knows that every company has its own unique needs, yet all share one common goal-to more accurately track how the business is performing financially. The goal of this book is to provide easy-to-read and easy-to-follow QuickBooks consulting advice that business owners, bookkeepers, or accountants can use. After reading the chapters in this book, business owners and accountants will be able to efficiently troubleshoot a QuickBooks data file and make needed corrections, so they can accurately report how the business is performing financially. This book helps you o Get started with a QuickBooks data file and learn how to modify the file you already have o Analyze your data and troubleshoot reports o Review and correct any data errors in your balance sheet accounts such as Banking, A/R, Undeposited Funds, Employee Advances, Inventory, A/P, Sales Tax, and Open Bal Equity Account o Use the tools in QuickBooks to properly review your payroll data and avoid costly mistakes o Efficiently share your business data with your accountant o Make the most of the QuickBooks reporting tools Laura Madeira graduated from Florida Atlantic University with a major in accounting and is a certified trainer for Intuit s Certified Trainer Network. As a member of this select group, she provides training to accountants and consultants each fall when the new version...
