

The Spattered White Coat: Intense Experiences Which Formed a Young Doctor (Paperback)

Filesize: 6.52 MB

Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

THE SPATTERED WHITE COAT: INTENSE EXPERIENCES WHICH FORMED A YOUNG DOCTOR (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.What is it really like to go through medical training? The Spattered White Coat is the author s account of life as a medical student and intern in the some of the most intense urban hospitals, under the most demanding of teachers, in the setting of drastic social change, escalating drug use and exploding crime statistics. Lessons in life are discreet events. Some are wonderful and others will break your heart. Medical training is a collection of those very events that will change a person forever. This is especially true when a young, impressionable medical student learns to be a healer of junkies, hookers, innocent victims and spoiled rich people. He held her as she died. The nurses and I watched from a distance and I turned off the alarm on her heart monitor when it began to beep. Through my tears, I watched her dying EKG tracing slow down and stop. The deeply moving vignettes in The Spattered White Coat portray the most extreme patient experiences and adverse social forces that forged the cognitive and emotional growth of the young doctor as he passed through the wards, emergency rooms, and operating rooms of the dark and demanding world of inner-city academic medicine. The realms of intensive care and near-death experiences are explored, as is the tragedy of lives lost to addiction and ignorance. The author relates detailed and sometimes humorous stories such as The Man Who Killed a Corpse, fascinating academic tales such as The Man Without a Left Side, or tragic accounts such as The Doctor Who Was Too Smart, The Surgeon Who Couldn t Cut Straight, and dozens of others. This book will help the...
