

## How to Be a Friend to a Friend Who's Sick

Filesize: 8.51 MB

### ***Reviews***

*It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

PublicAffairs, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!  
Summary: Eve Ensler, playwright and activist "How to be a Friend to a Friend Who's Sick gives us excellent tools and moving experiences to love and nurture the sick and dying. It urges and enables us to move towards those in need rather than fleeing in terror or despair. It is a handbook of kindness and care and will help patients and healers, which is ultimately all of us." Harold Varmus, Nobel Laureate in Medicine "After examining a potentially difficult and nearly universal experience---dealing with a friend's illness -- from many points of view, Letty Pogrebin has turned her findings into wise and witty lessons about a prized but neglected human trait: empathy. In advising us on what to do and say, she also shows why she's the kind of friend we all would want to have if we were sick." Bruce Feiler, best-selling author of THE COUNCIL OF DADS and THE SECRETS OF HAPPY FAMILIES "As she has throughout her writing career, Letty Pogrebin has once again hit on a topic that everyone whispers and wonders about but is loath to discuss out loud. HOW TO BE A FRIEND TO A FRIEND WHO'S SICK is taboo-busting, groundbreaking, and had me fist-pumping with glee. Take this brave, much-needed book along to your next family gathering or visit with a friend. I guarantee that the conversations it will evoke will be life-changing." Kirkus Reviews "A cancer survivor channels her ordeal into reflections on the nature of empathy and friendships. The author's sharp advice illuminates many of the more common gray areas governing what to say to an ailing friend, appropriate visitation frequencies and durations, and proper gifting. She also provides tips for good behavior when a...
