

Sam Gunn Forever

By Bova, Ben

Avon Books, 1998. Mass Market Paperback. Book Condition: New. 0380797267 Sam Gunn has a nose for trouble, money and women--though not necessarily in that order. He's a hero without peer.or scruples; a man with the ego and stature of a Napoleon, the business acumen of a P.T. Barnum, and the raging hormones of a newly pubescent teenage boy. He's Sam Gunn, the finest astronaut NASA ever trained.and dumped. But more than money, more than women, Sam Gunn loves justice! (Though he does dearly love women and money.) Whether he's suing the Pope, coming to the aid of voluptuous twin sisters in the "virtual sex" trade, or on trial for his life on charges of interplanetary genocide, you can be sure of one thing: this pint-sized space jockey will meet every challenge with a smile on his lips, an ace up his sleeve.and a blaster in his pocket!.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
