If you like Elmore Leonard, you ll love these books. --Victoria Best, Tales from the Reading Room LoCicero s knowledge of his city and the people that live there are remarkable. The dying city in Michigan is alive on the pages of his evolving trilogy. --Patrick, Amazon Reviewer This is a powerful read that handles sensitive and important issues very well without letting down those readers who came for a good crime story. I am eagerly awaiting the next book in the series. --Christoph Fischer, author of The Luck of the Weissensteiners.
