University of Utah Press,U.S. Paperback / softback. Book Condition: new. BRAND NEW, A Guide to Southern Utah's Hole-In-The-Rock Trail, Stewart Aitchison, In 1879, 230 settlers in southwestern Utah heeded the call from leaders of the Church of Jesus Christ of Latter-day Saints to pull up stakes and move to the distant San Juan country of southeastern Utah. Their year-long journey became one of the most extraordinary wagon trips ever undertaken in North America, their trail one of peril, difficulty, and spectacular vistas. Beginning in Cedar City, Utah, this trail crosses today s Dixie National Forest, skirts Bryce Canyon National Park, bisects the Grand Staircase-Escalante National Monument, crosses the Glen Canyon National Recreation Area, and comes close to Natural Bridges National Monument on its way to Bluff, Utah. Though the trail that these devoted pioneers broke across raw frontier was used for several years afterward, no highway was built over most of the route because it was deemed too rugged for modern vehicles. In addition to the historical value of the story of these pioneers, this guide includes road logs, maps, and hiking trails along the historic trail. It also points out fascinating natural history along the way, making A Guide to Southern Utah s Hole-in-the-Rock Trail a significant reference for a variety of readers."
