The same terms were employed, without the word negligently, in the request to charge in the case of Coleman v. Second, Avenue Railroad Company, 114 N. Y. 609, and it was held error to refuse the instruction. in that case there was evidence tending to show that the plaintiff had been crowded. from his seat and was passing around on the side step of the open car in search of another. It was a. question in that case whether the exposure to danger was voluntary and unnecessary. There probably was no question about it in this case, but it is not for the plaintiff to complain that the question was submitted to the jury. In the case of Colenrm, supra, the familiar rule was reiterated that if passengers without reasonable cause leave the car or place themselves on the outside of it when...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
