Black Inc., Australia, 2013. Paperback. Book Condition: New. New.. 180 x 112 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.You ve seen him wearing Top Gun sunnies, bringing a billy to boil, leaning on a bunch of bananas and addressing the Don t Meddle with Marriage rally. But what s going on under that hat? In these pages we lift the brim and uncover the words of a true-blue Aussie who shoots from the hip. Bob Katter doesn t hold back when it comes to himself: There is a rage in my soul, a hatred in my soul. Far-north Queensland: It is a magic land and we could support.a population of 80 million people in the Gulf Country alone. Women: He said that I considered women second-class citizens. If they were staying at home and not working then I would not consider them second-class; I would consider them first-class citizens. Environmental activists: .not a race of people that I like in any way, shape or form. The information age: I have long since given up reading journals and newspapers and watching the television, because the flow of information is so erroneous and misleading. Stem-cell researchers: .there are a lot of people who are pretty keen on becoming Dr Moreau or Dr Frankenstein. Gay rights: If homosexuality is a fashion statement, it is a very dangerous fashion statement . The live cattle trade industry: They re people that love their animals, sort of. And that s just a taste of Kattertonia.
